# Enroll in Your Benefits

## Pre-65 Retirees and LTD Participants

## Healthy You. Healthy Huber.

J.M. Huber places the highest priority on your health and well-being. The investments we make in our benefits reflect our priorities and reinforce Huber's principles and culture of rewarding our employees. As we work together to improve today for a better tomorrow, Huber provides a comprehensive benefits program to help you along the way and that supports you and your family in your total well-being. **We know that a healthy you is a healthy Huber.**

### New for 2024!

#### **NEW! Pelago Substance Abuse Management Program**

Say hello to Pelago (formerly Quit Genius), a refreshed, expanded health benefit provided at no cost to you by JM Huber and Express Scripts. Pelago has helped thousands of people improve their drinking habits, quit or reduce smoking, or overcome opioid dependence. With Pelago, you'll experience convenient and personalized care through an easy-to-use virtual program and app. Your privacy is their priority – your participation remains confidential, known only to you and your dedicated care team. No matter how many times you've tried to stop or cut back in the past, they're here to guide you to brighter days – 100% judgment-free. If you are enrolled in a Huber medical plan, Pelago is available to you and your covered dependents. Learn more at [pelago.health/huber](https://pelago.health/huber).

#### **New! Life Insurance Carrier**

Our life insurance carrier will be changing from Prudential to Lincoln Financial Group. This move to Lincoln Financial does not change your Huber-provided Retiree Basic Life coverage. With Lincoln, you benefit from:

- An outstanding reputation for service and financial strength
- More than 70 years of experience in employee benefits
- An enduring commitment to protecting you and your family
- Timely, accurate claim payments and claim status updates

Best of all, you do not need to take any action, as your benefits will automatically continue with Lincoln starting January 1, 2024.

## Benefits Enrollment

Each year you have the opportunity to continue enrollment in Huber's medical plan or waive coverage. If you choose to waive coverage, you will no longer have the opportunity to elect Huber medical coverage in the future. A personalized enrollment worksheet is enclosed in this packet, and includes your 2024 rates for the Pre-65 Core medical plan and your current tobacco user status. For details on the Pre-65 Core plan, see page 2.

## Medical and Prescription Drug Coverage

### Your Eligibility & Cost

For 2024, contributions for medical coverage will increase. Your medical and prescription drug coverage under this plan option may continue until you turn age 65\*. If you elect coverage, you will be required to pay a **medical contribution amount** (calculated from a base rate each year) multiplied by your **retiree contribution percentage** (determined by your age and years of service at the time of your termination of employment), plus **applicable surcharge** (based on coverage level). **If you waive coverage, in any given year, you will not be able to rejoin the plan in the future.**

\*If you are an LTD Participant who terminated after 2006, your coverage eligibility will end at the earlier of 5 years of coverage, reaching age 65, or no longer classified as disabled.

**Tobacco-free Discount:** All covered individuals must be tobacco-free to receive the discount, and your current status is included on your enclosed worksheet. You are considered tobacco-free if you do not vape, smoke cigarettes, pipes, or cigars, or use snuff and/or chewing tobacco. If you or a family member have experienced a change in tobacco user status in the past year, please contact the J.M. Huber Benefits Service Center at **1-844-347-9035**, and a representative can assist you in updating your information. Your discounted monthly contributions will start the first of the month following the date you notify the Service Center.

Contributions are sent to Huber's third-party administrator for medical billing. If you elect coverage for the year and fail to make the required monthly contributions for coverage, you will be dropped from medical coverage and will forfeit any rights to future coverage under the plan.

### Annual Enrollment: November 1 – 15, 2023

**Important!** You can access your Huber benefits by visiting [mybenefits.huber.com](https://mybenefits.huber.com) or calling the J.M. Huber Benefits Service Center toll-free at **1-844-347-9035**. Representatives are available to assist you Monday through Friday, from 9am to 6pm, EST.

**Note:** There is **no action** required to continue participation in coverage for the 2024 plan year unless you need to make a change.

## Patient Assurance® Program

Huber has partnered with Express Scripts to reduce the cost of insulin and other preferred medications for you and your covered dependents who are enrolled in one of Huber's medical plans. Through the Express Scripts Patient Assurance® Program, you will never pay more than \$25 for up to a 34-day supply of preferred and participating injectable insulin products, non-insulin diabetes medications, and cardiovascular therapies. It's already included in your benefit – so there's no action you need to take and no additional fee! Call Express Scripts at 1-877-263-2913.

## Omada Hypertension Management Program

Omada provides resources to you and your covered dependents over 18 years old, who are enrolled in one of Huber's medical plans and have been diagnosed with high blood pressure. When you participate in this program, you will receive a free connected blood pressure monitor, personalized support, and helpful tracking tools and reminders through the free mobile app. You can call 1-888-409-8687 to learn more about the program or find additional details at [mybenefits.huber.com](http://mybenefits.huber.com) > **Physical** > **Programs & Resources** > **Hypertension Management**.

**Note:** Call 1-844-347-9035 if it is unreasonably difficult, due to a medical condition (such as nicotine addiction), for you to stop smoking and/or using snuff and/or chewing tobacco in order to qualify for the "non-tobacco" use discount under this program. Also call if it is medically inadvisable for you to attempt to do so, and we will work with you to develop another way that you can qualify for the "non-tobacco" use discount under the program.

## Teladoc

Aetna provides access to telehealth services as part of your medical plan through Teladoc. Teladoc lets you get the care you need — including most prescriptions — for a wide range of minor conditions. You can connect with a board-certified doctor via video chat or phone, without leaving your home or office when, where, and how it works best for you!

Register today so you'll be ready to use Teladoc when and where you need it. Access Teladoc by:

- Downloading the Aetna app
- Visiting [www.teladoc.com/aetna](http://www.teladoc.com/aetna)
- Calling 1-855-TELADOC (835-2362)
- Downloading the Teladoc app

## Livongo

The Livongo® diabetes program provides you and your family members who are enrolled in one of Huber's medical plans and who have been diagnosed with diabetes a new way to approach diabetes management. If you elect to participate in the Livongo program, you will receive personalized support to help you better manage life with diabetes — at no cost to you.

Learn more and enroll at [www.welcome.livongo.com/jmhuber](http://www.welcome.livongo.com/jmhuber) or call 1-800-945-4355.

## Your Dependent Eligibility

**If you are a Retiree/LTD Participant who terminated before 2006:** Coverage will continue for your spouse until he/she reaches age 65 or is no longer your legal spouse. Coverage for your child(ren) will continue until their marriage or reaching age 19 (or age 24, if a full-time student). For a disabled child to be considered eligible and continue coverage beyond age 19, they must be primarily supported by you and incapable of self-sustaining employment due to disability. Proof of the condition must be provided through an application for continued coverage to Huber's medical plan provider for review/approval.

**If you are an LTD participant who terminated after 2006:** Spouse and Child(ren) coverage continues until the earlier of your LTD coverage of 5 years, reaching age 65, or your death. If you reach 5 years of LTD Medical coverage, turn age 65, or decease, coverage will end for your dependents at the end of the month in which the above takes place.

You are not eligible to add a dependent to your medical coverage unless the dependent was eligible to be covered under the Huber Retiree Medical Plan at the time your employment with Huber terminated and has continued to remain eligible for coverage.

You must notify the J.M. Huber Benefits Service Center within 31 days of the ineligibility of a covered dependent. Although the change may affect the amount of your retiree medical contribution, you will not be reimbursed for any contributions made as a result of your failure to notify the J.M. Huber Benefits Service Center of your dependent's ineligibility.

*Note: For more information on eligibility, please refer to the Retiree or LTD agreement you received at the time of your termination*

## Medicare & Huber Coverage

Retirees and/or spouses who become Medicare eligible will no longer be covered by the medical plan and Express Scripts prescription drug coverage plan, as coverages will end on the last day of the month prior to reaching age 65. **Within two months of turning age 65, you must enroll in Medicare Part A and Part B through the Social Security Administration.** Please contact Medicare directly for any questions or visit [www.medicare.gov](http://www.medicare.gov) for more information.

Three months prior to your 65th birthday, you will receive a package from the J.M. Huber Benefits Service Center containing key information pertaining to UnitedHealthcare (UHC) and a list of helpful FAQs. Before you turn age 65, UHC will mail a packet of information concerning Medicare Part C, Part D, and Supplement or Medicare Advantage plans for you to review.

J.M. Huber will continue to contribute toward the cost of your and your eligible spouse's health care coverage. This is done through a subsidy that will help you pay the monthly plan premium(s) for the coverage you select if enrolled in a plan. The amount of your subsidy will be determined by J.M. Huber by the retiree's age and years of service at the time of his or her retirement. Eligible spouses will receive a subsidy amount which equates to half of the retiree's subsidy amount. Retirees and eligible spouses can call a UHC Retiree Health Specialist at **1-866-658-3505** to inquire about their subsidy eligibility.

*Note: UnitedHealthcare will not have any specific subsidy information on a retiree or eligible spouse until approximately 3-4 weeks after his or her 65th birthday. J.M. Huber reserves the right to change or terminate subsidy amounts at any time. You and your spouse are not guaranteed your current subsidy amounts in future years.*

# Age 65 and Over

## Medical Coverage

UnitedHealthcare offers Medicare coverage options for Huber retirees and eligible spouses who are age 65 or older and eligible for Medicare. Annual Enrollment for UnitedHealthcare will be from October 15, 2023, and continue through December 7. If you qualify, J.M. Huber will provide a financial subsidy to help you and your eligible spouse pay for the cost of the coverage. UnitedHealthcare is a leading insurer of individual Medicare Advantage/ Supplement plans, with many plans endorsed by AARP. Any product or service that carries the AARP brand has been carefully evaluated and selected as one that meets the high service and real quality standards of AARP. Prior to you or your eligible spouse attaining the age of 65, you will receive additional information about the options available to you directly from UnitedHealthcare.

For more information, contact UnitedHealthcare and a Licensed Sales Representative will be available by phone to provide personal support from 8am to 8pm, 7 days a week at **1-866-658-3505**. Additionally, you can log onto **www.myuhcplans.com/jmhuber** where you can view available options and cost estimates.

## Dental and Vision Coverage

When you call to make your dental and vision elections, the UnitedHealthcare customer care professional will transfer you to the dental and vision specialist who will provide you with an electronic application. If you do not have a computer or cannot receive information electronically,

please notify the agent when you call so that an alternative process can be provided. You will need to confirm the availability of these programs with UnitedHealthcare as plan availability and benefits will vary by state.

You will have the option to apply for dental coverage through Golden Rule Insurance Company, a UnitedHealthcare company.

### Dental Highlights

There are four dental programs to choose from with low copays and deductibles. Services include preventive care, cleanings, X-rays, fillings, extractions, and more. Some plans require a six-month waiting period for basic services. Other plans include major services such as root canals and crowns; however, there is a 12-month waiting period for these services. There is no maximum age limit. Visit **uhone.com/insurance/dental** to learn more about the dental programs.

### Vision Highlights

We provide you the opportunity to add a vision provider benefit rider to your dental coverage. This vision rider is administered by Spectera, Inc. The vision network offers quality care from professionals in private and retail settings across the country. You may use a non-network provider, but you are eligible to receive better discounts by using in-network providers. The vision plan offers in-network exams with a low \$10 copay, as well as some coverage for frames and lenses. When an in-network provider is used, there isn't a waiting period to receive benefits.
